Date: December 17, 2012
 Time: 8:30 a.m.
 Location: Courtroom 9D

Honorable David O. Carter

1 I, Dr. David W. Eggleston, hereby declare as follows:

2 I am a prosthodontist with more than 42 years of experience in the dental
3 industry. I currently maintain a practice in Newport Beach, California. I have
4 personal knowledge of the matters set forth herein. If called upon to testify, I
5 could and would testify as follows:

6 1. I have been retained by Keating Dental Arts to provide expert
7 testimony relevant to this case. In this regard I previously submitted a
8 declaration to which my expert reports were attached. To that declaration I also
9 attached printouts of many of the web pages upon which I relied in forming my
10 opinions. Based on my many years of experience, I am aware that dentists,
11 prosthodontists, and others in the dental industry, regularly rely on information
12 available on the Internet to discover new resources available to dentists, to
13 review industry articles, to receive continuing education, and to learn about new
14 products, treatments and other developments in the dental industry.

15 2. In my review of the relevant information for preparation of my
16 reports in connection with this case, I received copies of printouts of webpages
17 from attorneys representing Keating. In addition to my own search of relevant
18 information, I personally viewed the webpage printouts I received from
19 attorneys representing Keating as well as the corresponding website itself. As I
20 mentioned in my Expert Report (Doc. # 93, Ex. 65 at 8-11) and Supplemental
21 Expert Report (Doc. # 93, Ex. 66 at 1), I reviewed the documents provided to
22 me by Keating's counsel and also viewed the corresponding websites online,
23 conducted my own online research, and inspected commercial products. The
24 exhibits I attached to my first declaration dated November 19, 2012 are true and
25 correct copies of the information I viewed on the Internet sites I viewed. I relied
26 on this information among other research to support the opinions I expressed in
27 this case, but my opinions are not entirely dependent on these documents. The
28

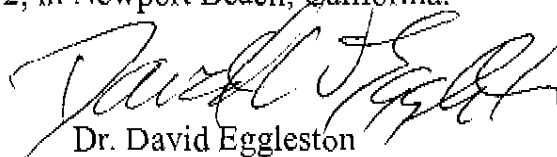

1 primary source of information for my opinions came from the knowledge and
2 experience I have attained through more than 42 years in the dental industry.

3 3. On September 11, 2012, I viewed the Internet sites corresponding
4 to documents bearing production numbers in the range of KDA-002170 through
5 KDA-002467 as I was reviewing materials for the purpose of drafting my
6 Initial Expert Report. The exhibits I attached to my previous declaration dated
7 November 19, 2012 accurately reflect the information that was available at the
8 accompanying website addresses I listed in my previous declaration. These
9 include the websites listed in ¶¶ 32-50, 60-62, 64-67, and 69-70 of my previous
10 declaration dated November 19, 2012. (Doc. # 93.)

11 4. On October 10, 2012, I viewed the Internet sites for documents
12 bearing production numbers in the range of KDA-002735 through KDA-004850
13 as I was reviewing materials for the purpose of drafting my Supplemental and
14 Rebuttal reports. The exhibits I attached to my previous declaration accurately
15 reflect the information that was available at the accompanying website address
16 I listed in my previous declaration. These include the websites listed in ¶¶ 51-
17 59, 63, 68, 71-92 of my previous declaration dated November 19, 2012. (Doc. #
18 93.)

19
20 I declare under penalty of perjury under the laws of the United States of
21 America that the foregoing is true and correct.

22 Executed December 3, 2012, in Newport Beach, California.
